

POSTSCRIPT.

CHITTENDEN COUNTY SENATORS.

We are authorized by Messrs. GRISWOLD, VAN SICKLIN, POMEROY, and MILLER, to announce, that, in view of the unfortunate division existing among "brethren of the same faith" in this district, they have come to the conclusion respectfully to decline the nominations with which they have been honored—Confidently hoping that it may be the means of restoring harmony.

Senatorial Convention.

The Whigs of Chittenden County are requested to meet at Willey's Hotel, in Williston, on THURSDAY, the 25th inst. at 10 o'clock, A.M. for the purpose of filling the vacancy occasioned by the resignation of the candidates now in nomination for the Senate; and for the transaction of such other business as shall be found necessary, when assembled.

August 18th, 1836.

We hope the above calls will be promptly and heartily responded to. I now require the exercise of but a title of the patriotic feeling which actuates the late candidates, to secure a most gratifying result. In union we have abundant strength and if we but act up to the spirit of the times the result cannot be doubtful. Let every town be fully represented in the convention.

Mr. BARBER's third Lecture on Phrenology, which was advertised for this evening stands adjourned till to-morrow evening, at the usual hour.

The *Wandering Piper*, is expected in town to-day and will perform at the Court House this evening.

MARRIED.

In Grand Isle, on the 6th inst. Mr. George Fox Allen to Miss Gemma Goodwin, both of that place.

DIED.

In this town on the 12th inst. an infant child of Mr. Stephen Whitney.
In Johnson, on the 13th inst. Harriet Cordelia, daughter of Rev. John Scott, aged two years, eight months and thirteen days.
Her flesh doth rest in hope,
Until her spirit comes
With Christ the Lord, to take it up
Where dead are not, nor tombs.
Then peaceful slumber sleep,
Till 'th' resurrection morn,
Thy Saviour's charge,—"We will not weep,
For soon thou wilt return."

THOMAS'S OMNIBUS will commence running to the Falls this day, three trips per day.

Medcal's Patent Compound Oil for Painting.

A perfect substitute for Linseed Oil for all kinds of Painting, is offered to the public by the subscribers with the fullest assurance of its utility. It is now about eight years since it was brought to its present state of perfection, and during that has been extensively used & tested in every way which Linseed Oil is used for painting, for inside and outside house painting, on brick and on wood, and for coaches, signs, boats &c. As for spreading and drying for inside work it is not surpassed, and for body, and durability in situations exposed to the sun and weather, it is warranted far superior to the best Linseed Oil and being light colored renders it preferable for white and all other delicate colors.

One of the first painting establishments in this city [of more than twenty years standing] say in their certificate "Having used Medcal's Patent Paint Oil do certify that more surface and better painting can be done per gallon, than when mixed with pure Linseed Oil. This oil forms a combining substance when mixed with pure Leads that does not decompose and rub off by exposure to the sun, and by experience of two years, we are warranted in saying that painting done with this oil, will stand the weather much longer, and remain unimpaired, when painting done in the usual way will not, and for oil cloths, we think it surpasses every thing that we ever used."

John N. Fassett has purchased the right to make and vend the "Patent Compound Oil" in the following States, viz: Pennsylvania, New York, Massachusetts, Vermont, Connecticut, New Jersey, South Carolina, Ohio, Michigan, Illinois and Indiana, and cautions all persons, against any infringement, as every offence will be met with rigorous prosecution.

The price of the "Patent Oil" will be one quarter less than Linseed Oil. It is warranted and sold wholesale and retail by
